*Dates and locations are subject to change

- ✓ Create a shared vision with your staff and work together to make it a reality
- ✓ Learn structures to make collaborative decisions and maximize teacher buy-in
- ✓ Build positive relationships among your staff
- ✓ Motivate your staff with energizing staff-building ideas
- ✓ Become an instructional leader by modeling active learning in your own faculty meetings
- ✓ Develop personal commitment and investment in the school

"This is very relevant in giving me (a principal) tools to expand the use of structures in our faculty setting and model what really is important." Gayle Korfhage, Principal
